³ Department of Chemical Engineering, Micro-Nano University

ABSTRACT

Contributors of presentations at the conference are invited to submit electronically a one page abstract (approx. 300 words and incl. 1 or 2 figures) **no later than August 19th, 2016**. The scope of the conference is announced at the conference website (<http://www.iwaselab.amech.waseda.ac.jp/mnm2016/>). Notification of acceptance will be given on **September 30th, 2016**. Upon acceptance authors will be invited to write a camera-ready abstract by **October 14th, 2016**. We will distribute the abstracts at the conference in an electronic format. The abstract should outline the main features, results and conclusions as well as their general significance, and contain relevant references. The abstract in PDF format (less than 2MB file size) should be submitted from the conference website. The abstract has to be written in English with Times New Roman size 12pt. The distance between two text lines should be approximately 3 mm. All margins are 2.5cm and the maximum size of the abstract is **1 page**. The abstract must contain the full name and full address of author/s. In the case of joint authorships, the name of the author who will actually present the paper at the conference should be indicated with an **asterisk**. For any further request, please contact the Conference program chair.
